"What is REAL?" asked the Rabbit one day. "Does it mean having things that buzz inside you and a stick out handle?"

"Real isn't how you are made," said the Skin Horse. "It's a thing that happens to you..."

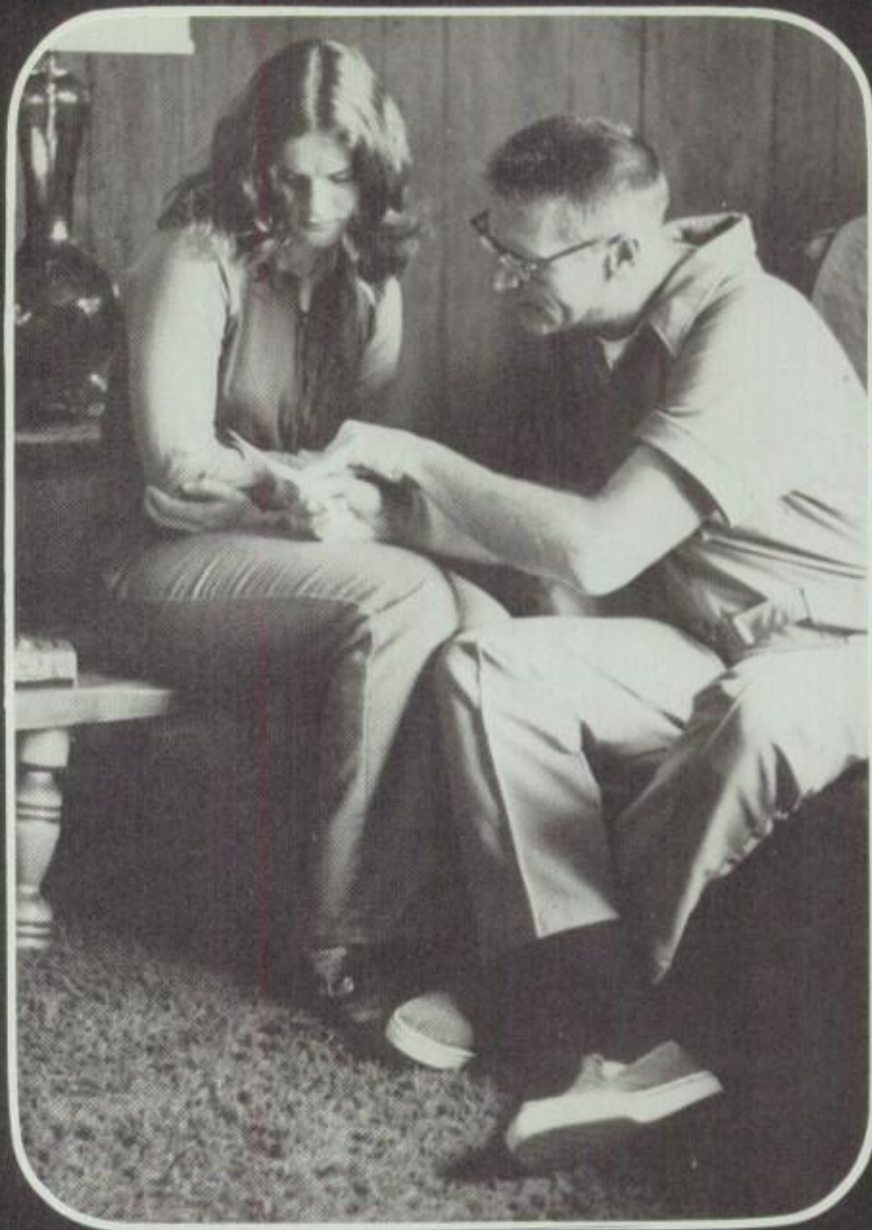

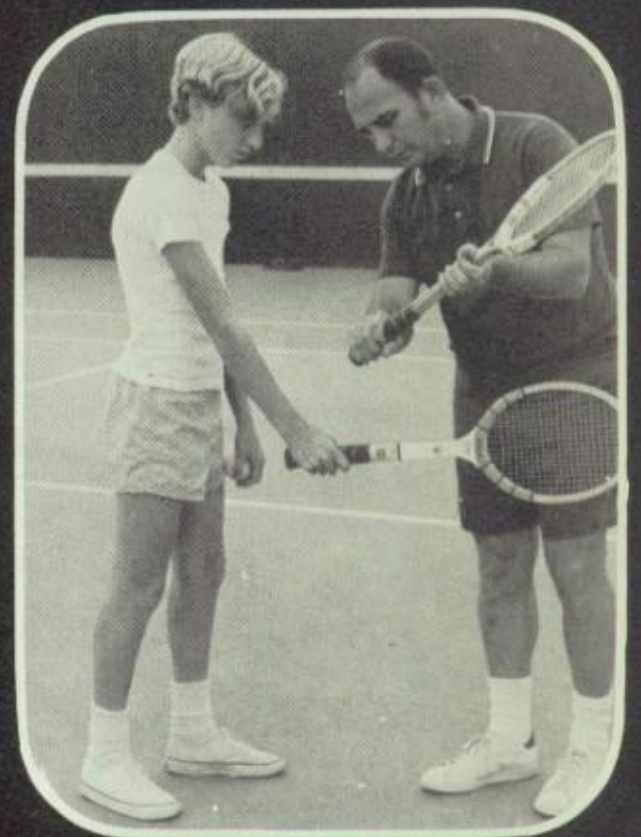

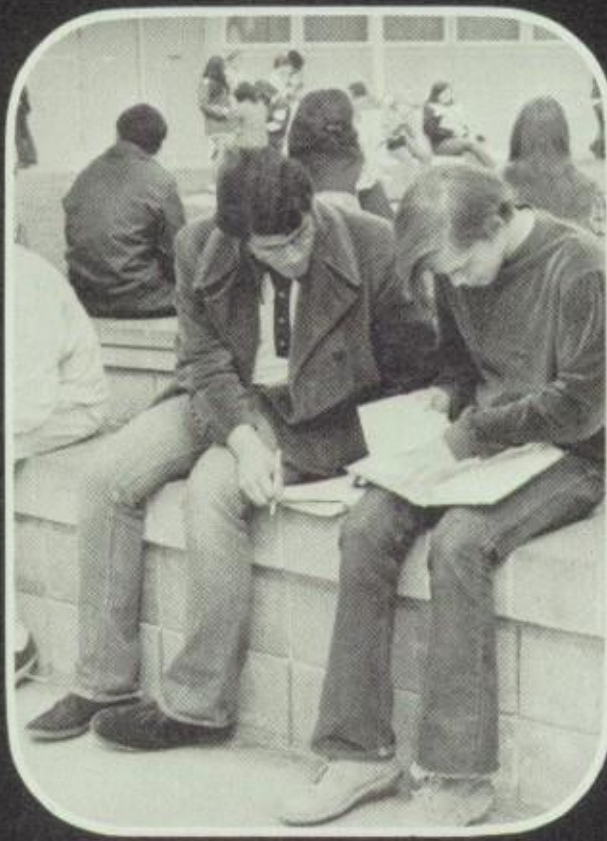

"When someone loves you for a long, long time—not just to play with, but really loves you, then you Become Real."

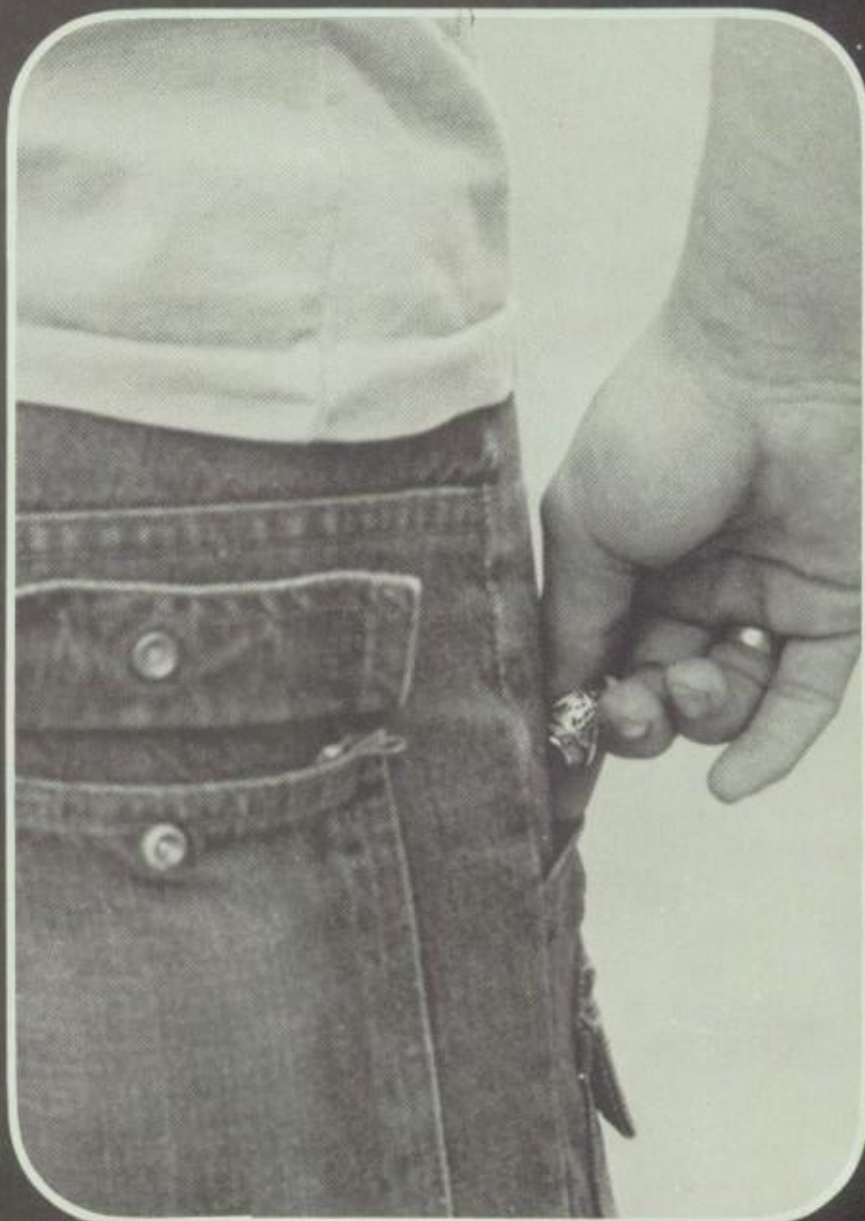

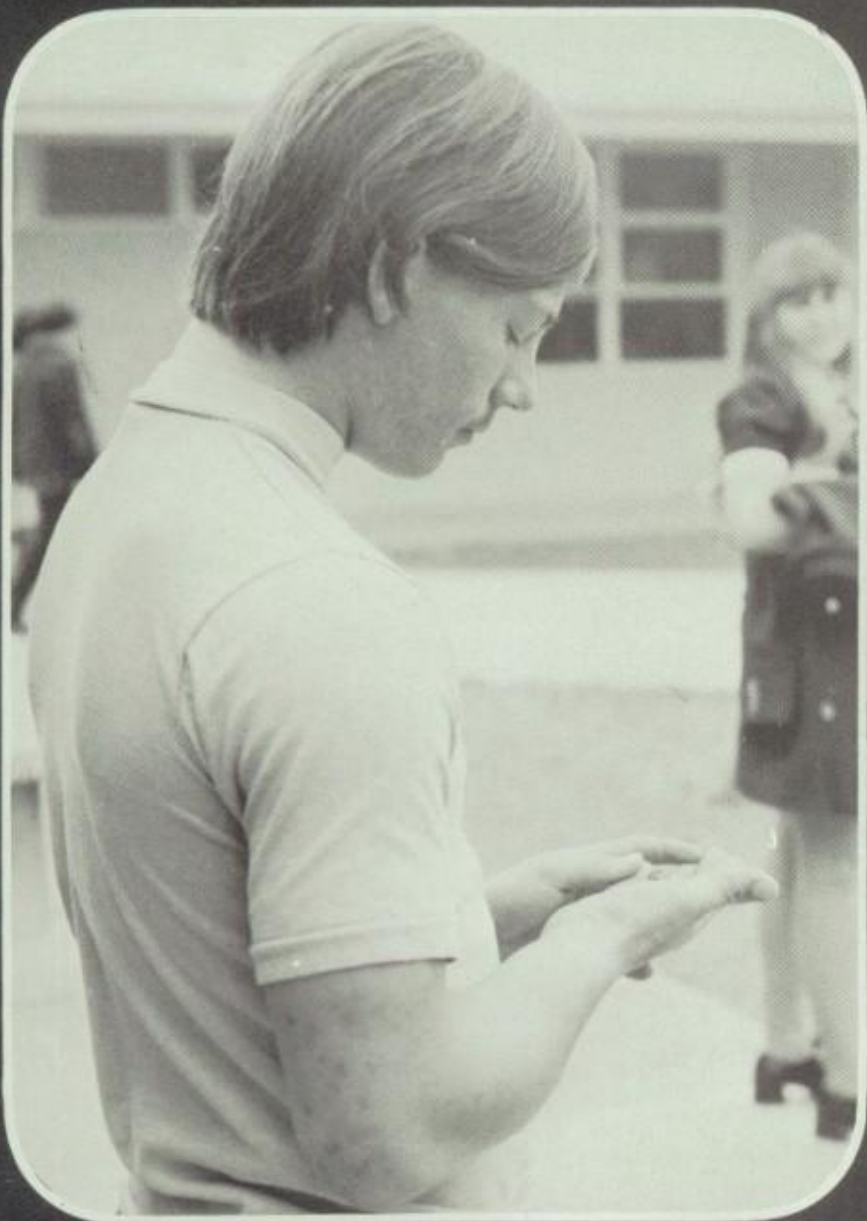

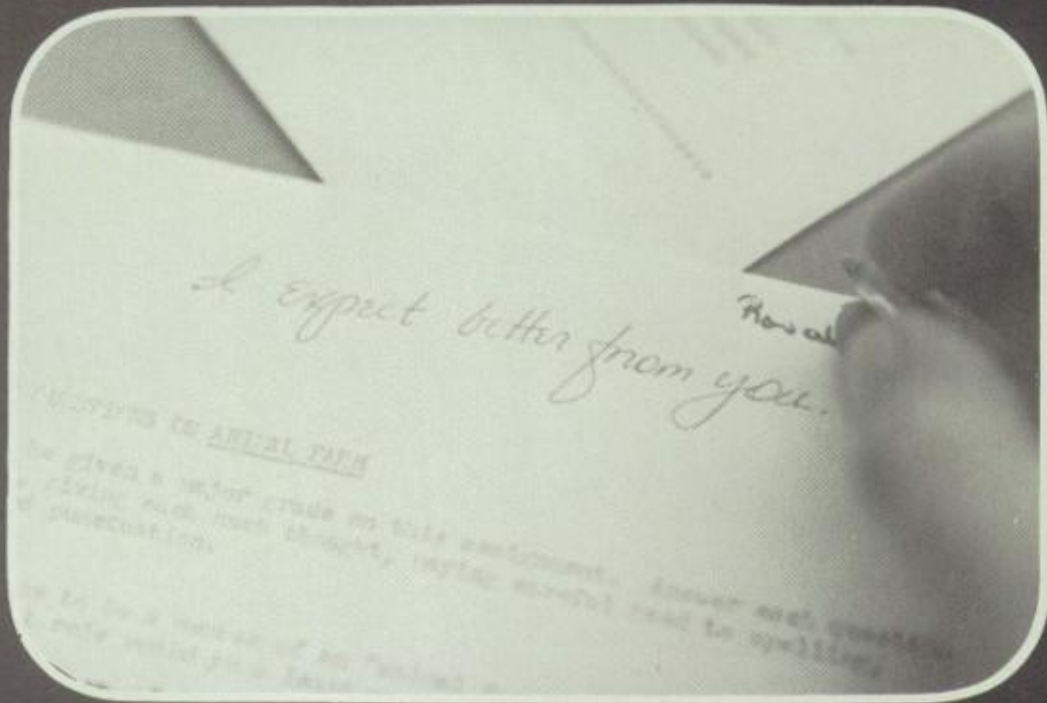

"Does it hurt?"  
"Sometimes," said  
the Skin Horse, for  
he was always very  
truthful, "But, when  
you're Real you don't  
mind being hurt."

"Generally, by the time you are Real, most of your hair has been loved off and your eyes fall out and you get loose in the joints and very shabby. But these things don't matter at all because once you are Real you can never be ugly... except to people who don't understand."

'cause it's never really gone ..."

"May I have this dance?"

Kathi Brown and Kirk Sturm take a break.

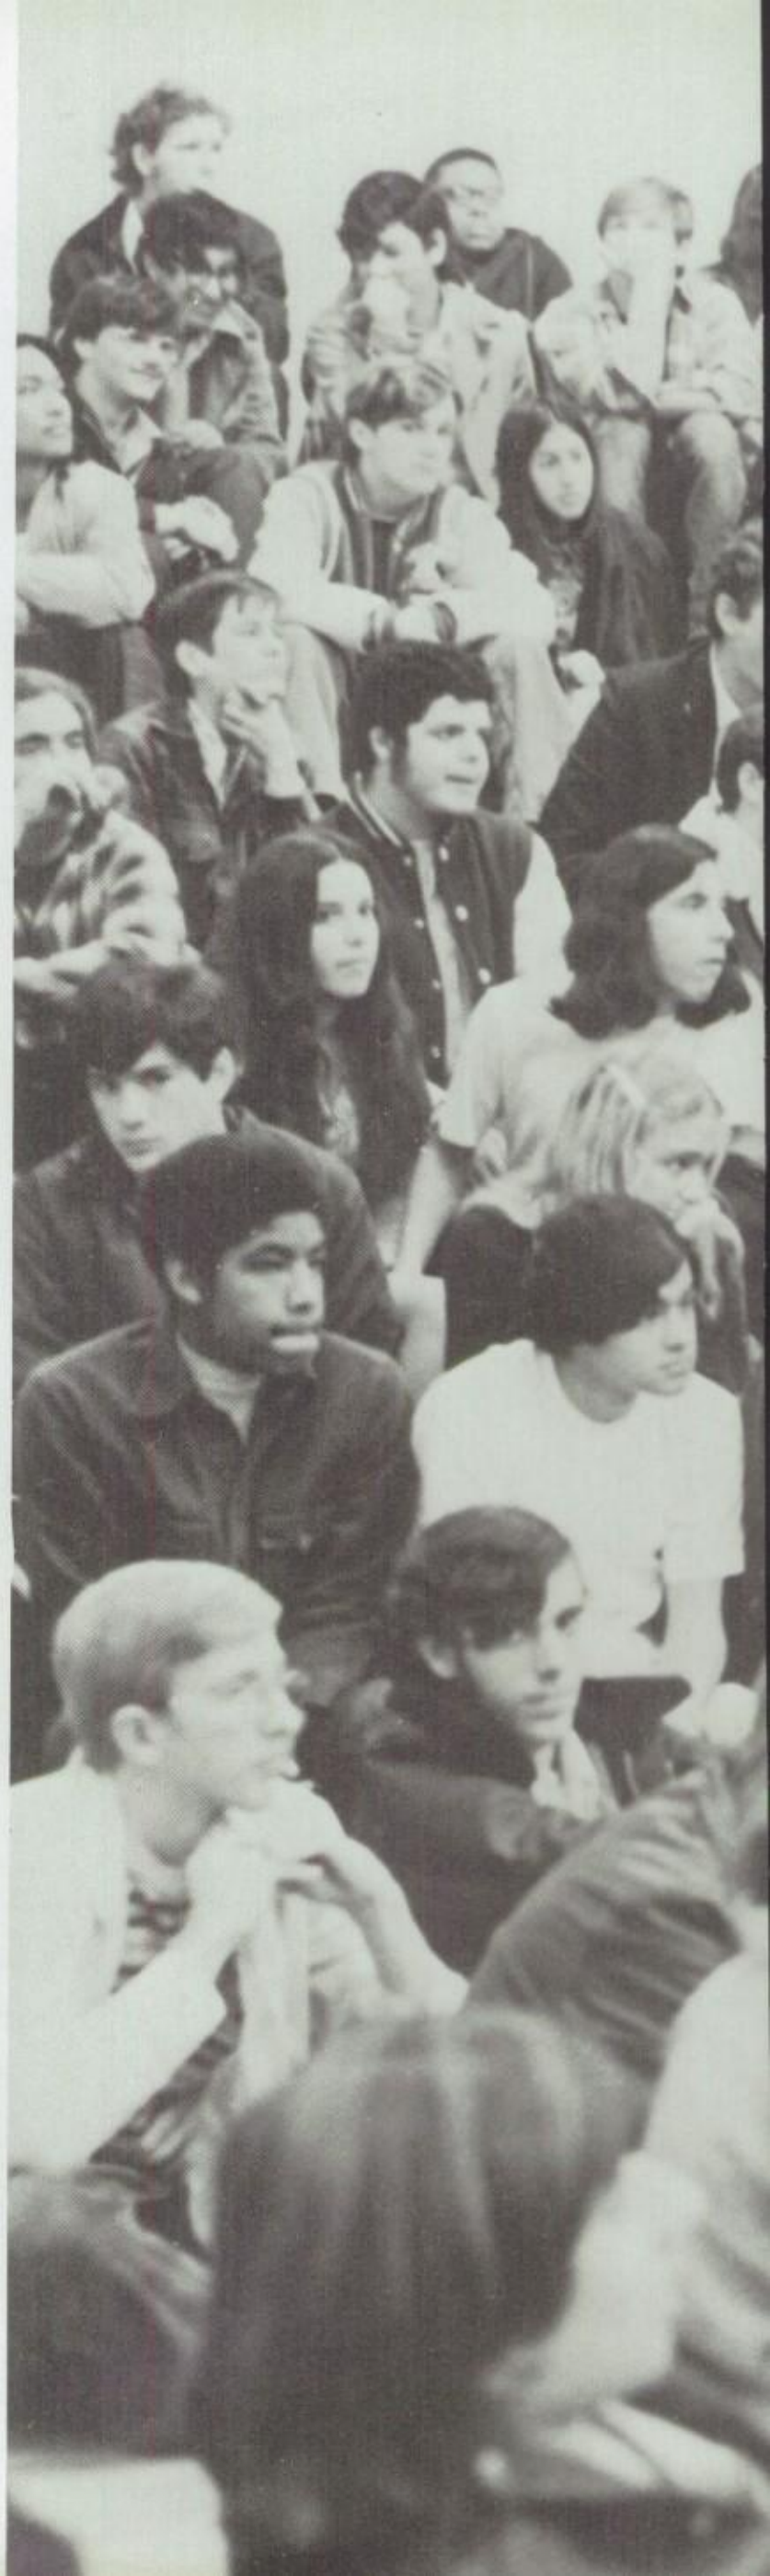

"Don't Drink the Water" gives sneak preview at assembly.

Cheerleaders and Songleaders imitate our Hueneme basketball stars.

## *Imagination And Variety Add Sparkle To Assemblies*

We pushed, shoved  
But somehow made it in alive,  
slightly bruised, we sat.  
The pep band played ... loudly.  
Cheerleaders danced, yelled  
and did all the bizarre things  
cheerleaders do.

Speakers gave us their message,  
Coaches, athletes, actors, Kathi  
and sometimes Mr. Seidler.  
Classes screamed in competition.  
The gym  
swept by a storm of bedlam,  
eventually emptied ...  
in a swirl of confusion.

We said it was fun, boring, stupid.  
Subconsciously, however,  
we all knew  
the frivolity of High School  
would never be relived.

Kathi Brown is enthusiastic over assembly program.

"Gabriel" provides great entertainment at a special music assembly.

## *Lunchtime: A Welcome Break From A Dreary School Day*

A fifty minute reprieve from the stress and strain of a dreary school morning - Lunchtime!

A time to:

Partake of some nourishment or relax and grab forty winks, study for an afternoon test, enter a pie-eating contest, argue with your counselor, squirrel around with the gang talk or scream or laugh or ...

The many moods of man are exhibited at lunch.

Scott Tull's 'up in the air' over noontime sack race.

People congregate in quad to listen to 'liar's' experiences.

Pie-Eating Contest Winner flashes a Victory grin.

Couple takes 'five' to conserve strength for their afternoon classes.

"The sky is falling!"

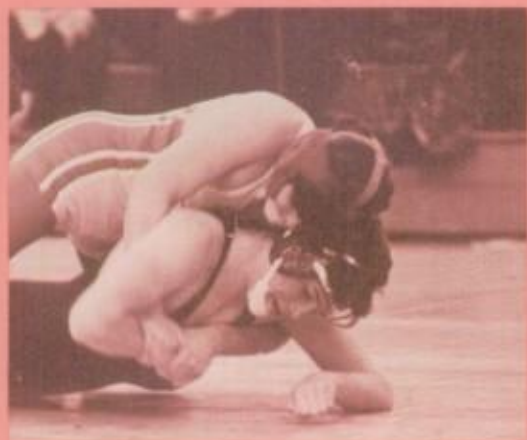

Chris urges people to participate in Liar's Contest.

Girls chat on their way to lunch.

## The Prognosis Was Good

I work for the team  
I play for myself  
I compete with me,  
more than anyone else.

I am alone, but I hear  
my teammates yelling,  
I try harder  
they want me to.

We need someone  
outside of us  
to aim our efforts.

The coach decides  
he makes me hang in there  
He sees mistakes and tells me.  
I don't like what he says  
I do respect him.

Sometimes I fail  
Sometimes we succeed.

## ASB And CSF

These twenty-one people (twenty-two if you count Mr. Daily) have been responsible all year for every function. Sometimes they failed, and sometimes they didn't even try, but when they did ... the result was sheer pleasure for the student body. By trying, failing and succeeding they grew. And some learned what it means to be a leader.

A smile always encourages sales - look at Tony Porto.

If you want to be a member of the California Scholarship Federation, you can't just join. You have to earn your membership. Every semester as report cards are sent out, your membership is either renewed or canceled. After all the hard work, what do you get? A field trip each semester. And a strengthened academic standing, perhaps even a scholarship.

# Interact

"The world is full of vast and various kinds of problems," to paraphrase the English poet, Kipling. Problems of great magnitude and significance are in your school, your community. Some are broad in range, outside your intimate "world." But some cannot be solved without you and your ideas. Interact faces these problems and incorporates their challenge into their active service programs.

## Key Club

The Key Club serves like their patrons, the Kiwanis. Their main purpose is to assist the community. This year when Santa Claus needed help, he got it from the Key Club. The Harlem Clowns came to town because our guys thought the community would enjoy one of their games. Key Club is truly a service organization.

# Girls League

Girls League is the biggest club on campus. It consists of 24 officers and lots of girls, girls girls ... They started off the year with card sales, and on Oct. 28th put on the Sadie Hawkins Dance ... with fantastic results. December brought the Camarillo Christmas Party; February brought the Spring Formal - with over 300 attending. In April the fathers and daughters had "a nite out" at their annual banquet; May followed suit with the Mother-Daughter Banquet. Throughout the year, GL sponsored Hush Day with all proceeds going to the Kidney Foundation. It was a worthwhile year.

These fine musicians are usually the most outstanding members of the concert band. The Viking Pep Band is talented enough to be invited to play in competition in such places as Palm Springs.

## Concert Choir

The Hueneme High School Choir season of 1972-1973 began on October 25 with the full orchestra and Choir Madrigals in concert. The next night, October 26, the Madrigals performed at Back to School Night. December 5 began the annual Christmas tour to various junior high schools in the area, including performances at the Ventura School of Correction and Hueneme Bay. The Choir also sang Christmas carols at the Esplanade. After the holidays, the choir came back to a full schedule, rehearsing for the musical, *Anything Goes*, held on March 28, 29, 30, and 31. They also prepared for their Spring Concert, May 25, and competition in the Music Festival in Simi on May 18.

# Orchestra And Girl's Glee

This year's orchestra has been involved in many activities. Directed by Mr. George Hamm, it has performed in five major concerts and toured various junior high schools, which have contributed to the orchestras growing ability and strength. Several of its members played in the pit orchestra for the school musical, "Anything Goes." Solos and small ensembles helped to make the orchestra rounded musically.

Under the direction of Mr. Wheeler, Girls Glee got off to a good start this year. They successfully completed their agenda by starting off with Christmas caroling at Camarillo State Hospital, performing concerts for general chorus, and combined with general chorus for the public. The main goal for each of these female vocalists is to make it into Concert Choir.

# American Field Service

AFS - Students have the world as their textbook. They learn by listening. They listen to Angela from Italy, or Torben from Denmark, or Elisabeth from Germany. Janet Halsebo went to Brazil this past summer. She loved talking about her family, her home, her friends abroad. Most important are the friends made all over the world through this organization, and others like it. Our world grows a little smaller each year through these exchange students; and isn't that what it's all about?

TORBEN LAURSEN - YFU, Denmark

Linda Rubio talks on and on.

Spanish Club worked hard this year to bring a bit of Spanish/Mexican culture to our campus. For their efforts, ICC voted them in as "Club of the Quarter." The members worked hard to make friends, and they did! In more ways than one, they're one of the most successful clubs at Hueneme.

# French And German Clubs

"Involved" was the key word for French Club members ... and involved they were. Sucker sales, game concessions, French rap sessions, the International Christmas Dinner held by AFS and the foreign language clubs, and helping with the Girls' League sponsored Camarillo Christmas party, kept members busy and enthused.

## Concert Band

This 1972-73 school year has seen hard work turn into enjoyment and satisfaction for the Viking Band and its director, Mr. David Wheeler. With new uniforms, the band performed five outstanding half-time shows during football season and then went to the Simi Band Spectacular where they again performed an outstanding half-time program. After football season came parade season. The band marched in competition paraded at Ventura, Chino, Santa Monica and Conejo Valley Days. They were one of three Southern California bands invited to march in a parade at Magic Mountain. A Mid-Winter "Pops" Concert in January opened the concert season. They performed in a festival at Simi High and in a Solo Festival at Thousand Oaks High School. An outstanding and prosperous year was brought to a close with the band's final number, a Spring Concert in May.

## Speech Club

Speech Club is one of the most active and involved clubs on our campus. Through this club, students are given a chance to express talents that normally would never surface. At their tournaments, one is very likely to find anything from poetry to acts of modern plays to heated debates. Our Speech Club has received many awards and deserves all the support we can offer.

A little reassurance brings out the best in us.

Practice is a way of life.

## Valkeries

Money from numerous sales on campus helped to send some Drill Team members to Drill Team camp in the summer. The Drill Team participated with the band in parades at the Ventura County Fair, Santa Monica, Chino and Camarillo State Hospital. They marched in most of the halftime shows, including Homecoming.

ROSTER - April Briggs, Gayle Rogers, Cheryl Wynn, Wnona Marquez, Quida Price, Gerri Demain, Polly Demain, Barbara Tornoe, Michele Hill, Mitzi Ghorband, Angie Salinas, Karen Harvey, Jean Maynen, Wanda Nixon, Katrina Jackson, Terri-Lynn Maynard, Linda Salazar, Lori McClure, Carol Hobson, Cindy Hayes, Rosemary Merryman, Terry Rangel, Elva Rey, Linda Watson, Kathy Ellis, Kim Smith, Karen Pero, Barbara Neuby, Kathy Rhorback, Joanne Durkee, Kathy Turner, Cheryl Davis, Sandy Riggins, Barbara Bell, Delfina Guzman, Karin Goll, Debbie Moore, Pat Kelly.

# DECA

Through DECA (Distributive Education Club of America), students are helped with getting and keeping jobs. They worked very hard this year on various money making projects - sold pens and poly-fluff animals - in order to send students to the state convention in Oakland, California, and for their employer-employee banquet.

## Nurse's Aides

Serving patients at hospitals and convalescent homes involved girls enrolled in Nurses Aide Training Class. The first semester of this course consisted of classroom instruction in the techniques of making beds, taking vital signs and giving baths. The second semester was spent in putting their skills to practice. Daily, the girls worked at St. John's or in convalescent homes performing the duties of a regular nurse's aide. Their cheery smiles and pleasant attitudes were greatly appreciated by their bed-ridden friends.

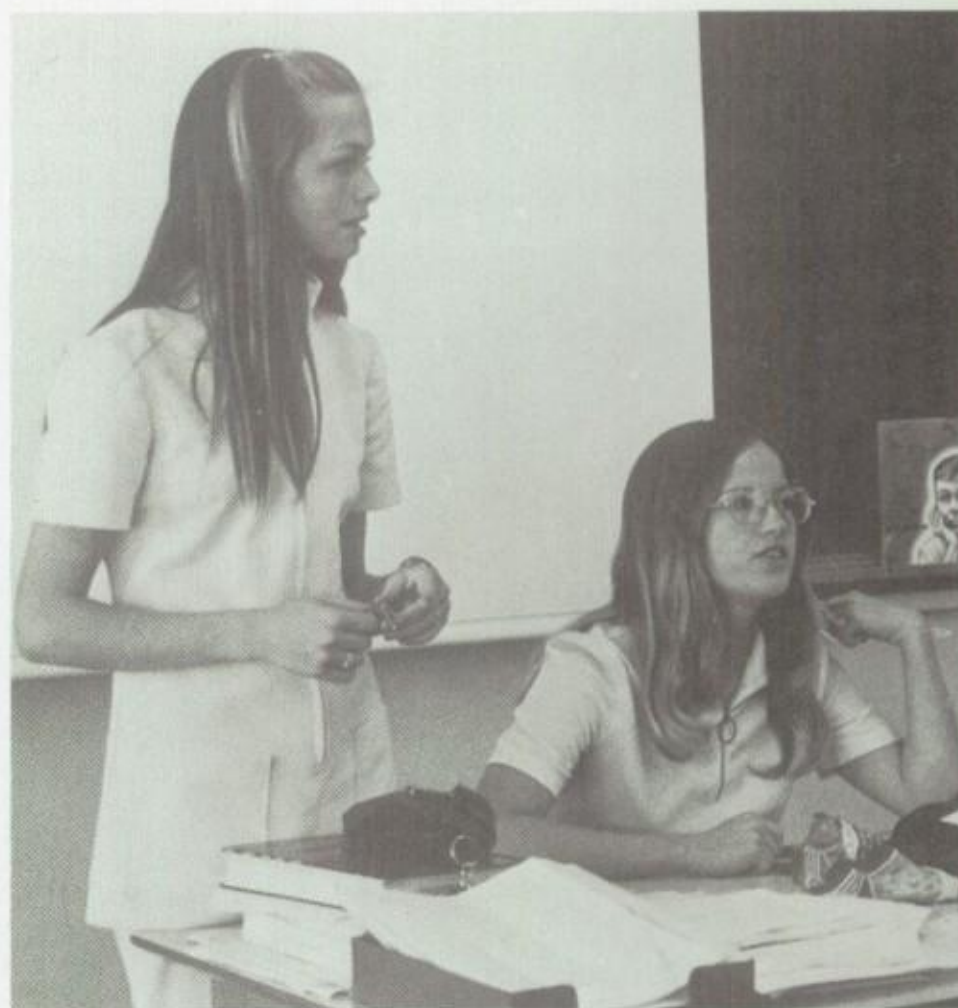

FRONT ROW - Debi Duncan, Joanne Dumas, Sarah McClish, Karen Westfall, Carol Smith, Julia Rivera, Bertha Arrieta, Nona Dunn, Sandy Prohorenko. # Hoopsterettes

The hoopsterettes set out this year to insure that the 72-73 basketball season was noticed and appreciated. Twenty-two female basketball fans promoted spirit for Hueneme's team. These girls did everything from taking statistics for the coaches, to raising money for the teams by having sucker sales and selling concessions.

Because of their participation in the Cultural Fair and other fund-raising events last year, the Timettes, this year, were able to buy uniforms for the first time. During the year, they raised more money from bake sales and car washes. The girls time the swimmers and record their scores. The Timettes are primarily a service club, assisting at swim meets and water polo games.

To accomplish projects, volunteers are needed.

## VSA

The Viking Spirit Association is one of the largest and most active clubs on campus. Their main concerns are to help promote spirit and boost the morale of our sportsmen. More important than the usual candy sales and game concessions was the traditional "decorating" of Hueneme's campus on the eve of Homecoming. Team members awoke that special Friday to find their home honored in the same fashion. No matter what anyone says, they loved it!

# Future Teachers Of America

Twice a year, Future Teachers of America gain practical experience as they assist in elementary classrooms. Taking a break from their special teaching routines for lunch with the faculty, they learn the true attitudes of teachers.

The club has sponsored sucker sales, hot chocolate and doughnut sales and basketball concessions. It promises a \$100 scholarship to a deserving, teaching-oriented senior.

This year's Chess Club got off to a slow start. It took two meetings to select three officers. Their major goal was an interscholastic chess tournament. To prepare for this, the club decided to hold a series of "rubber matches" in which each member plays every other member of the club. The top chess players were selected to represent the school.

# VICA

The Vocational Industrial Club of America unites in a common bond all students in trade, industrial, technical and health education, and develops in them leadership abilities through participation in educational, vocational, civic, recreational and social activities. Club activities foster a deep respect for the "Dignity of Work," and assist students in attaining a purposeful life through vocational goals. V.I.C.A. also develops the ability of students to plan together, organize and carry out worthy activities and projects such as this year's Christmas Field Trip to Camarillo Hospital and several noon time activities and game concessions.

## Voyage

A yearbook is twelve straight months of headaches. You start planning months before it ever comes to actually putting it together. When a deadline comes, you're never really ready for it - but somehow you do get those pages in. And when you see it in print, it never quite turns out the way you expected. At last all sections are turned in, and you're HAPPY! Some things did turn out, and you're finally finished!

## *Faculty*

MR. SEIDLER -

He doesn't "Beat around the bush."

Sometimes he's so blunt,  
it hurts.

But, he's -

he's honest

you know where you stand,  
with him.

Many resent him.

Many don't understand him,

But many appreciate him.

So many of us

thank

him.

BOARD OF ADMINISTRATION: President of the Board, John Cooley, Dr. Robert Williams, Lawrence Smith, Robert K. Matthews, Janet Lindgren.

MRS. ARMSTRONG -  
 she's always giving  
 "advice"  
 when it's needed ...  
 and it's needed ...  
 but never when you don't want it.  
 And when she talks  
 with  
 you,  
 she listens for what you  
 don't ...  
 or can't ...  
 say.

MR. TYNER -  
 sometimes  
 you feel like  
 he's so busy  
 writing re-admits ...  
 or truancy reports ...  
 or suspensions ...  
 that he forgets  
 the faces  
 connected to the names.  
 But then he  
 looks up ...  
 and he smiles  
 and he gives you another chance.

MR. JENSEN -  
 a hard man to catch -  
 in his office.  
 He doesn't  
 isolate  
 himself  
 behind a name plate  
 and office desk.  
 He's almost always ...  
 out ...  
 with someone ...  
 with a student.  
 He has a sense of humor.  
 But,  
 it never  
 intrudes  
 when you  
 need  
 to talk to him ...  
 seriously.

Often,  
 you feel like a number  
 or an IBM card  
 and when your counselor calls you in  
 you wonder if it's you  
 or your "Federal Form"  
 they want to see.  
 But then, as you walk down a hall,  
 they see you  
 and smile  
 and call you by name.

# Creative Arts Department

The combination  
of talent with art  
requires  
skillful  
gentle  
prodding.  
Suggestions as to shading,  
offering advice as to color.  
Re-reading a line,  
demonstrating an entrance.  
"Cueing-in" an individual,  
reviewing music.  
And all gently -  
'cause criticism  
wounds when you're really trying.

## Special Education

Sometimes,  
students just don't  
respond.  
You get frustrated and  
maybe a little mad.  
But you don't show  
it.  
You keep on  
and you try just  
that much  
harder.  
Then,  
an idea catches on  
and they grasp it  
and they learn.  
So you go home  
and you laugh.

The people who do things

TEACHERS ARE REAL

It's so hard to remember  
that teachers  
are people -  
individuals.  
But they are ...  
Really!

life  
you're a guy  
since you, I'm  
just I met you. So  
I always bugged you about  
the bulletin, but I always wanted  
to know just about what going on. Let  
me know you'll be in one of my classes  
next year. Have fun this summer and  
take care. See you next year, okay?

## CLASSES

Seniors -

Remember when you were a freshman  
and you looked at the Seniors  
in awe?

They looked so big ...  
so mature ...

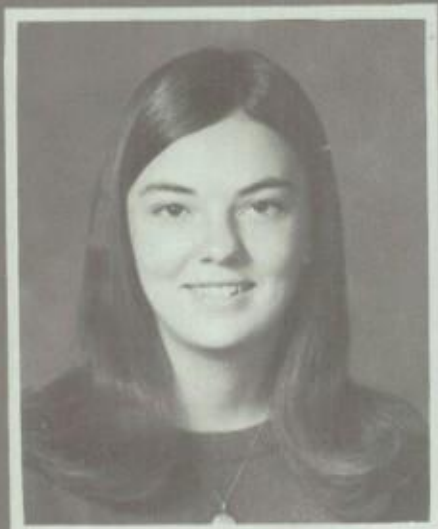

So sure of themselves.  
Now that we're Seniors  
we realize  
it's not that way at all.

All you want to do -  
all you look forward to -  
is Ditch Day,  
Grad Night,  
and graduation.

And then you're through.

All you're left with is memories  
and a diploma.

# Freshmen

Nobody really expects you to be as "grown-up" as you think you are. It's really the year to do all the zany, crazy things you can. Everything is so new

So much better ...

New classes, choices, people, a whole new school.

So much to be done in 4 years.

take care, my friend  
i miss talking with you  
& laughing with you  
& sharing moments that  
make being with you so special  
take care, my friend  
because there's something  
all wrong with a day when  
you're not here  
something is missing, & in  
spite of myself i listen for  
your laugh, & watch for your  
face in the crowd  
take care, my friend  
because i can't help thinking  
how lonely it is without you  
& how nice it would be to  
have you here  
but most of all, take care  
because . . .  
you matter to me!

## Faculty

It's my last year here at Hueneme and I would like to thank everyone for being the greatest bunch of people in the world. Kim has been an outstanding editor and we had a wonderful staff. There were long hours, arguments, hard work and sometimes bad feelings, but everyone was fantastic and I love them all for it. I hope all the students here at Hueneme will have as fine a time as I have had here.

*Toni Clopp*

I especially want to thank the members of my staff for putting up with me though it all. Thanks, Kathy, Linda and Deanna.

I suppose an editor could put a yearbook together single-handedly - but I wouldn't want to try. I had my staff. So, on this page I'd like to thank them.

A special thanks goes to all my editors. They accepted the responsibilities of their positions and executed them artistically, creatively, and responsibly.

Staff members typed, scheduled and did all the jobs no one else wanted to do. They helped we editors maintain a sense of humor.

Our advisor, Miss Taylor, did more than advise ... she worked. When we stayed after school, she stayed after school. When we worked on Saturdays, she worked on Saturdays.

And of course, there were special people to whom I, as their editor and their friend, wish to extend a special "Thank-you." They are Theresa Ostic, Larry Spaethe and Susan Garner.

All these people need to be recognized for what they are - the creators of the 1973 Voyage. Let credit go where credit is due.

Being  
the editor  
of a yearbook  
can be the most  
exhilarating and the  
most exhausting thing  
you've ever done. When you  
have created something new  
you feel GREAT! When you're up  
'til 3:00 o'clock in the morning,  
trying to make something work, you  
feel AWFUL! But, now it's done and we're  
glad. So... we, the Voyage staff of 1973, present  
you this book - the product of new ideas  
and sleepless nights - with much pride...  
and relief.
